

Beyond the sales of the Dairy 100

While researching the top dairy companies in North America (page 49), we came across some interesting facts and figures about these leading organizations.

\$22 million a day

■ That how much No. 2 Dean Foods Co. sells in 24 hours. Over a year, that adds up to \$8.12 billion. Looked at another way, each of the dairy's 17,000 employees generates \$1,300 per day.

91%

The percentage of packaged ice cream products from No. 27 Unilever in the United States containing 250 or fewer calories per serving. 100% of all ice cream for children has 110 calories or fewer.

160 tons of cheese

■ The amount No. 3 Saputo donated to communities where it operates in 2015.

\$181.1 million

Size of grant from the Bill & Melinda Gates Foundation to the No. 6 Land O'Lakes International Development Fund for a program to reduce poverty and increase dairy cow productivity in Tanzania and Ethiopia.

Zero

■ No. 1 Nestle introduced zero-water technology at its dairy factory in Jalisco, Mexico. It reuses water vapor from the milk instead of withdrawing groundwater, saving around 1.6 million liters of water a day.
