It's what's inside that matters most.

From five gallon process vessels to 500,000 gallon field-fabricated tanks, the sizes and shapes of DCI manufactured stainless steel tanks and components are as varied as our customers' needs. Proudly serving the food, dairy, beverage and OEM industries, DCI has remained true to our commitment to quality since 1955 through our design and fabrication services—we know it's what's inside that matters most.
