

Edlong Dairy Flavors

Edlong Dairy Flavors specializes in the widest array of profiles and forms of concentrated dairy flavors: Cheese, Milk & Cream, Butter, Cultured, Sweet Dairy and Functional. Privately owned and operated since 1914, Edlong prides itself on superior service and is recognized by the food industry as experts in this category. The company is also proud to announce its recent certification as a Women Owned Business by the WBENC.

Edlong's experienced staff works with each customer to develop unique flavor solutions for a variety of applications, including: cheese analogs, sauces, dressings, desserts, snacks, crackers, baked goods, prepared meals and beverages, among others. Edlong's dairy flavors provide commodity cost reduction, batch-to-batch consistency, stability in harsh, high-heat environments and great top notes.

Edlong is headquartered in Elk Grove Village, Illinois with locations in the United

Kingdom and Mexico as well as agents and representatives around the world. 24-hour sample availability, a friendly and responsive team and courtesy calls are some of the many benefits customers experience when partnering with Edlong. Edlong also provides the necessary technical support for specific product needs or restrictions such as Kosher, non-dairy, non-GMO, low sodium, low fat or allergen concerns.

Visit www.edlong.com today and check out Edlong® Dairy Link, a selectable database of flavors which allows registrants to instantly sample the company's extensive line of dairy flavors. Visitors can also download documents such as: specification sheets, Kosher certificates, Material Safety Data Sheets and allergen statements.

What's the point in making it if it doesn't taste good?

The opportunities for product development are endless, especially when you deal with dairy.

Dairy flavors can reduce reliance on fluctuating dairy commodities, capture global flavors and provide batch-to-batch standardization.

Whether you're in search of a Cheese, Butter, Milk & Cream, Cultured, Functional Dairy or Sweet Dairy flavor, we have a dynamic solution for you.

Make something great. Contact us at 1-888-MY-TASTE (698-2783) or www.edlong.com for more information.
