

Vivinal® GOS

Helps your body help itself

Vivinal GOS (galacto-oligosaccharides) is a dairy-derived prebiotic ingredient which provides a number of health promoting benefits.

Health benefits

Vivinal GOS acts as a food for various beneficial bacteria in the colon which produce short chain fatty acids that in turn influence several physiological benefits including:

- Stimulation of immune health
- Improvement of digestive health
- Increasing beneficial bacteria in the colon, particularly bifidobacteria

The many health benefits of Vivinal GOS have been substantiated in over 70 research studies.

Applications

Vivinal GOS can be used in many product categories:

- Infant and Toddler nutrition
- RTD and dry mix beverages, including clear beverages
- Dairy products
- Confectionary products
- Nutritional bars
- Dietary supplements
- Medical nutrition

Product description

Vivinal GOS is highly soluble, clear in solution, and is very heat and acid stable. FrieslandCampina Domo offers a range of product variants to meet various application needs:

- Vivinal GOS, syrup
- Vivinal GOS 10, spray-dried with whey protein
- Vivinal GOS 15, spray-dried with maltodextrin
