

NEW

TEST WANDS

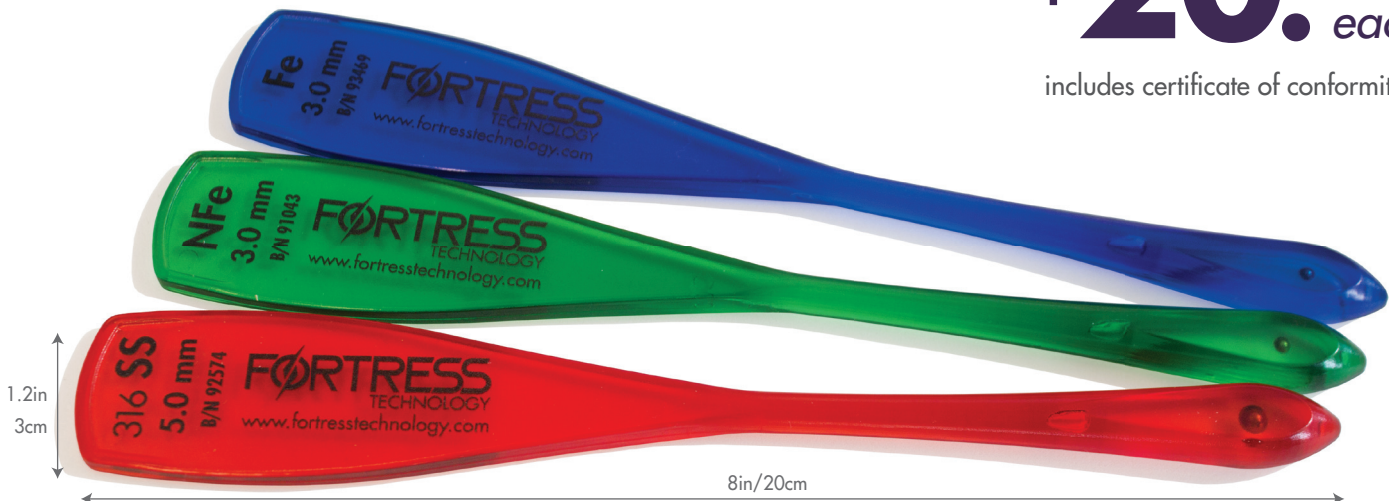

**Our NEW Test Wands are made from Impact Resistant,
Shatter Proof and Heat Resistant Polycarbonate.**

These one of kind test wands have been custom designed and manufactured by us, to meet the needs of our customers.

- Produced in compliance with the FDA, BGVV and European food contact regulations (2002/72/EC)
- Wands are color coded, to indicate metal type; Ferrous (BLUE), Non-Ferrous (GREEN), Stainless Steel (RED)
- Visible certified test spheres available in sizes 0.5mm to 8.0mm; encased in Tamper-Evident food grade epoxy
- Fiber laser etched markings: text stays clear, never fades and surface stays smooth.
- Polycarbonate is suitable for use in a wide range of temperature conditions.
- Designed to be easily inserted and removed from products.

\$20. each

includes certificate of conformity
