

We're with you from CIP to sip.

Zee Dairy consists of dairy and sanitation industry experts that are here to help you improve and protect your dairy brand. Without a dedicated strategic partner in sanitation, plant owners will find themselves in constant threat of microbial contamination. Zee Dairy brings our expertise and services to ensure that your products make it to the market efficiently and safely.

ON-SITE TRAINING AND SUPPORT

We implement ongoing, face-to-face training and support for your staff, and provide technical guidance from a dedicated support representative responsible for your account.

DAIRY FOOD SAFETY EXPERTS

The Zee Dairy team consists of leading dairy and CIP experts with experience at every level of successful dairy processing operations.

INNOVATIONS ACROSS THE ORGANIZATION

As a division of The Vincit Group, Zee Dairy can leverage powerful additional expertise from our vertically integrated partners: ZECO, ITG, and QSI.

NATIONWIDE SUPPLY CHAIN

Zee Dairy's comprehensive, integrated supply chain means we control product fulfillment from manufacturing origin, throughout safe transit, and to strategically located storage facilities.

IT'S PEOPLE THAT MAKE THE DIFFERENCE

Zee Company's approach to business is *hands-on*. We know that it's the people who make all the difference. We'll be on-site, ensuring that your operation keeps the highest standards of sanitation and efficiency with unmatched customer support.
