### eDairy - The Dairy Industry's Premier Information Destination

eDairy ([www.dairy.nu](http://www.dairy.nu)) is the dairy industry's premier daily destination for producers, processors and end users.

If your operations and profit margins are affected in any way by milk and cheese price fluctuations, you need to know why prices are behaving the way they do - and where prices are likely to go in the future.

That's where eDairy ([www.dairy.nu](http://www.dairy.nu)) comes in. Accurate, insightful, timely and trusted, it's practically overflowing with useful features:

- The Weekly Insider newsletter, featuring fundamental analysis by Bill Brooks, interviews with top industry analysts, detailed technical analysis and charts, alerts on upcoming reports, and more.
- The Bailey Report, an informative newsletter containing import-export and dairy-component analysis, by Ken Bailey, Ph.D.
- The exclusive Downes-O'Neill Milk Price Index, the first and only index of its kind.
- Daily Opening and Closing Bell market-advisory news alerts and a daily

Cash Market summary.

- A monthly column by world-renowned agricultural policy analyst Jim Webster.
- An over-the-counter Swaps Derivatives page.
