

## EFCO Products Inc.

EFCO Products Inc. is a global leader as an ingredient supplier for the food industry. With over 100 years of experience and a reputation of excellence, we have a proven history of providing our partners with a wide variety of high-quality, great-tasting ingredients.

And now EFCO offers a new line of innovative Ice Cream Variegates and Bases to help you deliver the most delicious and desirable flavors to your ice-cream-loving customers!

Two of our specialties are Superfruits and Super Flexibility. We have a long history of working with fruit fillings and toppings, and are on the cutting edge of the Superfruit flavor trends (such as acai-blueberry and pomegranate). Our Superfruit variegates are delicious and create tremendous customer appeal. Our flexible

approach to your needs is a super benefit. In addition, we offer standard variegates (such as caramel or fudge) and base formulations, as well as custom solutions.

Need a prototype or sample formulations fast? No problem. EFCO is designed and equipped to respond quickly to your needs and to help propel you from new flavor idea to in-store success. We also

deliver a great range of packaging options, such as pails, pouches, totes, and drums, and we adhere to the strictest food safety and quality standards.

Experience what EFCO variegate and base innovations can do for your products. Give us a call today or visit us online at [www.efcoproducts.com](http://www.efcoproducts.com)—your customers will thank you!

### When it comes to ice cream, we provide a Super twist.

Introducing EFCO ice cream variegates and bases, featuring Superfruit flavors like pomegranate and acai-blueberry.

Over 100 years of experience... and still innovating.
