

## T.D. Sawvel Co. Inc.

Have you checked out T.D. Sawvel lately?

You'll find that our new models are the best way to move your business forward.

The fully-automatic Model 80 is one of our most versatile machines, providing a highly flexible platform for makers of ice cream and other frozen desserts. Designed for container sizes from 3-64 oz., tooling is now available for filling square-round shapes.

Another highlight is our Model 135-MPD "two-up" high speed cup filler, which is designed for filling frozen desserts at speeds up to 120 cpm in sizes from 3-32 oz.

limited industrial applications.

We look forward to filling your needs.
